### BRIEFING

# A big fire broke out at the Cosmopolitan Hotel in Las Vegas

MAXWELL TANI | TODAY AT 6:35 AM |

A massive fire broke out at the Cosmopolitan hotel in Las Vegas on Saturday.

According to a hostess at the Las Vegas hotel who just identified herself as “Jeanette,” a fire broke out in the bamboo hut on the 14th floor of the hotel, where one of the hotel’s pools is located.

According to Jeanette, the fire was allegedly caused when a fryer located near the bamboo hut caught ablaze.

### Partner Offers

CNN reports that the fire has been extinguished.

Las Vegas residents and onlookers immediately took to Twitter to document the fire.
