[Back in June](#), Macca's caused a stampede when it announced it would be selling its Big Mac burger for just \$1.

The one-day deal caused huge queues at McDonald's outlets around Australia as well as many excited customers on social media.

"Can you please take a long lunch break and bring me three please?" one person asked her colleague.

One guy even asked his girlfriend: "Wanna go out on a date?"

"How romantic," she replied.

Another woman tagged her mate and commented: "Guess what's for lunch and dinner on Tuesday?"
