TOUR ITINERARY

STONEHENGE

Our first stop this morning is mysterious Stonehenge, as one of the first visitors of the day we will beat the queues with our fast track entrance tickets. The true meaning of this ancient, awe-inspiring creation has been lost in the mists of time. Was Stonehenge a temple for sun worship, a healing centre, a burial site or perhaps a huge calendar? How did our ancestors manage to carry the mighty stones from so far away and then, using only the most primitive of tools, build this amazing structure? Surrounded by mystery, Stonehenge never fails to impress.

BATH

A whole afternoon to discover Bath's major sights; our walking tour will show you Pulteney Bridge and the Circus, and you will get a fascinating

insight into how Bath became the world-class attraction it is today. Bath offers a unique experience with stunning architecture, great shopping and iconic attractions.

You will have plenty of time to discover the Jane Austen Visitors Centre, Bath Abbey or the Roman Baths (not included). There is so much to see in this beautiful city. Return to Victoria train station approximately 7:00pm

* Stonehenge is closed to visitors on 21 June for the Summer Solstice, but we will stop and view the stones from the road
